Audubon Area Community Services, Inc. Receives Partnership Award

Audubon Area Community Services' Housing Department was honored Monday, March 3rd at Habitat for Humanity's Annual Habitat Dinner. Director Barry Johnston and Assistant Director Joseph Acquisto were on hand to receive the Partnership Plaque—recognition of their outstanding work with the fellow nonprofit over the past year. Habitat for Humanity of Owensboro and Daviess County Director Virginia Braswell presented the honor, recognizing AACS Housing for securing \$120,000 of Affordable Housing Trust Funds through the Kentucky Housing Corporation. The funds are to be used to subsidize the construction and reduce payments for four single family homes in 2020-21. AACS Housing seeks to change lives, strengthen families, and build better communities by providing affordable housing to those in need. Habitat for Humanity and AACS share the belief that affordable housing plays a critical role in strong and stable communities. Together, they have worked to create a community of hope and homeownership.

The first house located at 1363 Benton Avenue is finished along with the 2nd house at 455 Sutton Lane. The 3rd home at 489 Sutton Lane is set to close in April & a 4th home already has footers poured.

AACS Movers & Shakers

spotlight

on community action

Congratulations CCAP Class of 2020!

21 New Certified Community Action Professionals from the southeast join the ranks!

Mr. Barry Johnston has earned the Certified Community Action Professional credentials! If you haven't met our Housing Director here's a brief Q&A with Mr. Johnston...Barry:

How do you like to be addressed? Barry.

What is your job title? Housing Services Director

How would you describe your job to a child? I assist & develop housing for individuals and households who reside on a limited income.

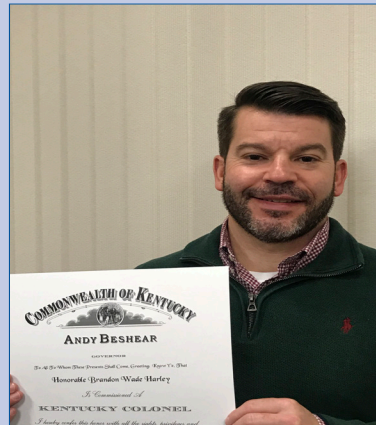

How long have you worked for AACS? I've been employed at AACS over 5 years.

What do you like best about your job? Helping others that are at a disadvantage.

What do you wish other people knew about AACS? I wish people knew the abundance of assistance & resources available through AACS.

What is your biggest achievement to date – personal or professional? It wasn't my goal, but I was talked into a 100KK organized bike ride. It rained that morning and the wind blew later in the day. It wasn't too bad, but it wasn't real good either.

What do you do when you're not working? I bike and workout. I'm an avid music lover. While I haven't been to a concert in years, I've seen the Scorpions, Journey, Alice Cooper, Billy Joel, Elton John, Aerosmith, Nazareth, REO Speedwagon, Heart, and Kiss. My favorite concert was Simon & Garfunkel. The crowd was so diverse with ages ranging from 15 to 80!

Salute to the Colonel!

Mr. Brandon Harley, Deputy CEO was honored at a January 2021 meeting where Ms. Suzanne Craig of Green River Health Department was on hand to present the highest title of honor bestowed by the Governor of Kentucky. Mr. Harley's dedication & hard work were officially recognized by the governor and he stated he was privileged & very happy to accept the award. In standard fashion, Mr. Harley immediately returned to work.
