## RETIREMENT ROW

Thank You for Your Service, Lori Wilson!

Lori Wilson, Regional Manager in Kentucky Works Program, will be retiring on July 1st, 2021 after 24 years of dedicated service to Audubon Area Community Services, Inc.

Ms. Lori says her husband needs someone to ride in the boat with him while he fishes, so she is going to join him. She says she has plenty of projects to keep in this next phase of her life. She plans to spend more time with her grandchildren. She jokingly said she lives on Old MacDonald's Farm because they have a yard full of assorted critters—pigs, rabbits, goats, horses, ducks, and chickens. Ms. Lori says she will be gardening and has started canning and is excited to lend more of her time to sustaining her family's healthier lifestyle. She says there never seemed to be enough time to see all she wanted to see on vacation, so she is enthusiastic to get to hike and kayak in parks where she has the time to explore and not just see the highlights. She was very animated when sharing what lies in store during her retirement.

Audubon Area Community Services would like to thank Ms. Lori for all her hard work during her time with us! We wish her a happy retirement and all the best in her new endeavors.

**HAPPY RETIREMENT FROM AACs!!!**

## *Getting 'Emergency' Ready*

An emergency is defined as “an unforeseen combination of circumstances or the resulting state that calls for immediate action.” An emergency doesn’t necessarily mean a disaster. It could mean that your child needs a copy of his birth certificate to register for school, or you need a copy of the pink slip for your automobile when a brand new set of wheels catches your eye. If you don’t already have important papers together in a safe place, maybe this is a good month to buy a small fireproof box and gather those papers together that might include:

- Wills, social security cards, passports, birth certificates, divorce and custody decrees, immigration documents.
- Property deeds, mortgage company address and phone number, homeowners and life insurance policies and phone numbers, copies of health insurance card and phone numbers.
- Inoculation records, health records, doctors and dentists names, addresses and phone numbers.
- Auto ownership papers, auto insurance policies and phone numbers, drivers and auto license numbers.
- Credit card numbers, addresses and phone numbers for outstanding loans.
- Stock and securities certificates, address and phone number of broker, bank account numbers, addresses and phone numbers of banks.
- A current copy of your employment resume, as well as a list of previous home addresses and dates of residence.
- An extra copy of your address book, complete with phone numbers and addresses of friends, relatives and professional resources.

You’ll be surprised at how useful it will be to have this information in order and accessible.
